REPORT OF THE TOWN CLERK

Year Ending December 31, 1960

During the fourteen years I have had the honor and pleasure of being your Town Clerk I have made a financial report (sometimes including pertinent statistics) in the town report, but this year I thought it might be of interest to the townspeople to know more about this particular office and its place in our town government.

For the first seven years I maintained the office in my home where its primary function was the registration of motor vehicles, issuing of dog licenses and beach permits and keeping records of meetings, commercial documents and vital statistics.

After moving the office to the town hall it became apparent that having a part-time Town Clerk would create considerable inconvenience to the public due to the few hours each day that the office was open. This situation was remedied when the Board of Selectmen hired me to be the Town Accountant and Clerk for their board. This made possible the opening of the office throughout the day. The present hours are 9 a. m. to noon, 1 p. m. to 5:30 p. m. Monday through Friday. During the month of March the office is also open from 9 a. m. to noon on Saturday.

The adoption of the non-partisan ballot law requires the filing of all candidates for local offices with the Town Clerk.

The adoption of the Municipal Budget Law increased the need for more specific accounting in some departments.

Additional records must be kept of the employees' wages, withholding taxes, social security, Firemens' Retirement, Police Retirement and Blue Cross. There were records kept on 96 employees this year.

Permits to use the town dump are obtained from this office.

There were 514 beach permits issued in 1960.

Refunds to various departments come to this office now rather than directly to the Treasurer as in the past.

Water bills are paid at the Town Clerk's office.

As Clerk for the Board of Selectmen the Town Clerk handles routine correspondence, filing and attends Selectmen's meetings and hearings — recording the proceedings. Appointments to meet with the Selectmen are made through the Clerk's office and the office functions as a central information point and business office for all town departments as well as the public.

Due to increased work in every area of this office in 1957 the Clerk was allowed a part-time assistant, and last November Mrs. Helen Moore entered the office as full-time assistant. The necessity of this is well illustrated by the few statistics which follow:

	1947	1956	1960
No. of Motor Vehicle			
Permits issued	568	1,095	1,434
Dog Licenses issued	94	238	245
Personal Property			
Mortgages recorded	41	167	251
Conditional Sales Con-			
tracts recorded	22	97	149
Discharges recorded	109	175
Money received and			
remitted to Town	\$2,641.90	\$14,981.16	\$27,631.14

The Selectmen have been most cooperative in purchasing new equipment, added through the years, so that we now have typewriters, adding machines, filing cabinets, a check protector and a postage meter to increase efficiency and speed of the work. A counter has

been added for storage and convenience as well as increasing the business-like appearance of the office.

Although at present a filing system is maintained for the quick and easy location of recorded documents, on July 1st the Commercial Code Law will go into effect and this present system will be replaced by a new system of both card indexing and document filing which will necessitate the addition of new files.

As a matter of information I think it wise to point out that all fees collected by the Town Clerk are turned in to the town and have not been a part of the Clerk's salary since 1954 when the Clerk was put on a straight salary basis. Presently the salary as Clerk is \$1,700.00, as Accountant \$1,800.00 making a total salary of \$3,500.00 annually. The recording and filing fees collected this year and turned over to the town amounted to \$600.50. The Clerk no longer receives the 50¢ fee on motor vehicle permits nor the 20¢ fee on dog licenses and beach permits.

I would like to take this opportunity to invite all to visit the office, see the work which is done here, ask questions concerning your town government and make suggestions as to how the services may be improved.

GILFORD PUBLIC LIBRARY

Last fall Mrs. Kathleen Taylor became our new librarian, when Mrs. Simonds accepted the position of Laconia High School Librarian, and Mrs. Simonds was appointed by the Selectmen to fulfill Mrs. Taylor's unexpired term as Trustee. We were exceedingly fortunate in having Mrs. Simonds for the past few years, in which time she initiated the cataloging of the books according to the Dewey decimal system and has built up the classic book section so that we now have available many of the books on required reading lists for students. Our substitute librarians are Mrs. Marcelia Muehlke and Mrs. Frances Talbot.

After Hurricane Donna it was found that we would have to reshingle two sections of the roof, and this was done, as well as installing the oil burner, which is appreciated especially by Mrs. Taylor and the custodian, Dave Smith. Mr. Smith provided the plants and cared for the flower bed at the edge of the lawn, and Mrs. Celia Smith brought cut flowers to the library each week during the blooming season.

There are two new lights in the stackroom, one at each end, and a light for the foyer installed by Bob Watson; a new exhibit table and a book display rack in the foyer and another book display rack in the reading room made by Roger Lindsay.

In October, Mrs. Taylor was the speaker at the Gilford P. T. A. on the subject "Reading to Your Child."

Book week in November was again extremely successful, including story hours both at the School and the Library with Mrs. Lucile Allen and Mrs. Anne Stamps as readers, registration by Mrs. Muehlke, and instruction by Mrs. Taylor as to courteous use of the library and the method of using the card catalog. A very happy

outcome of Book Week has been that the Story Hours have been and are to be continued every other week to the end of the school year, with Mrs. Anne Stamps and Mrs. Peggy VanEtten as readers.

Report of Librarian of Gilford Public Library for 1960

Statistics are dry things to read to say the least but to an alert observer figures can show clearly an upward (or downward) trend especially where library patronage is concerned. It is interesting to note our circulation figures have increased from 5,223 in 1950 to 9,697 in 1960. We had 641 more adult books and 582 more children books loaned out in 1960 over 1959. Our two largest months for young people's circulation were November and July — the former because of Children's Book Week with much activity connected with the school and library; and July because of required summer reading among the students of our town. In this respect, it must be called to your attention the excellent start Mrs. Dorothy Simonds has made in building up our young peoples' basic book collection. This collection will be added to yearly along with good basic reference books.

In October the librarian with Mrs. Simonds attended a "Neighborhood" library meeting in Wolfeboro when Mr. Emil Allen of the State Library discussed the selection of books for young people and the problems connected with this phase of library work.

The books in the library are still in the process of being cataloged but 1961 should see the completion of this four year job. The State Library has been most co-operative in assisting the librarian in this important work and the visits of the Bookmobile every three months with the selection of several hundred books each time greatly augments our regular book selection. Our patrons are using State Library services more frequently and overall results have been satisfactory.

More boys and girls have discovered the availability

of the library and its resources. We shall endeavor to broaden the scope of these resources during the coming years to make our public library a source of pride and achievement for our town. We cordially invite the people of Gilford to visit the library to see the many new improvements and to participate in its active reading program.

GILFORD FIRE DEPARTMENT

1960

The following is a list of the alarms that your Fire Department responded to during the past year:

House or structure fires	34
Grass fires	10
Forest fire	1
Automobile fires	3
Boat fires	2
Flooded oil burners	2
Mutual Aid calls — Out of town	4
<hr/>	
Total	56

We received assistance from Mutual Aid for four of our own fires.

On May 18th we moved into our new station. From this day on you have had twenty-four hour coverage by at least one man at all times. Our permanent men, Capt. Harold Wilkinson and William Hayes have been working on opposite shifts of twenty-four hours on with the following twenty-four hours off. With an extra day off on every eighth working day their average time on duty is seventy-three hours per week apiece. Their salaries have been \$72.50 per week. Chief Watson works an eight hour day five days a week except when it is necessary for him to work a twenty-four hour day when the other men have their extra day off. He averages fifty-six hours per week, the least hours worked being forty and the most being sixty-four. His salary is \$80.00 per week. By the foregoing arrangement of the "on duty" time, we feel that the town is better covered during the time that most of its volunteer firemen are at work out of town.

The permanent men have been very busy during the daytime, working at both stations. They have finished

the second floor interior of the Glendale Station. The outside of the building has been painted and the fire escape installed. The work done at the Village Station includes installing the furnishings and fixtures, building the kitchen cupboards, shelving, and painting. They are very grateful for all the help the volunteer men have given in accomplishing these tasks.

After discussing, for many years, the possibilities of constructing a dam at the brook it has finally become a reality. As we cannot safely take water from the village hydrants, we now have an adequate water supply for the protection of the Village proper.

Our men have formed several work parties and have pitched into the work that is being done at the future Fire School and Training Center at Lily Pond. A good deal of the land having been cleared, a short training session was held there in October. The entire membership of the Lakes Region Mutual Aid Association is taking part in this venture and it is hoped that, because of its central location, it will be a state-wide Training Center.

Our sincere and heartfelt thanks go out to all of you who have made it possible for us to have our new quarters, to the Women's Auxiliaries for their generous gifts, and to the volunteers of the department who gave 525 hours of their time to the town.

Respectfully submitted,

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 per-

cent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.
5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires — 1

Number of acres burned — 1

Number of permits issued — 503

REPORT OF THE POLICE DEPARTMENT

I hereby submit my report for the year ending December 31, 1960.

1960 found the Gilford Police Department very active and this fact is evident by the following:

There were 87 arrests made of which 58 were motor vehicle and 29 other. The figure does not include juvenile cases. (The 1959 report shows that there were a total of 54 arrests; 35 motor vehicle and 19 other.) 63 of the arrests, or approximately 73% were made between 6:00 p. m. and 6:00 a. m., and 31% were made after midnight. We, who are engaged in police work feel that this speaks for itself.

A total of 1,965 telephone calls were logged, 226 at headquarters, 1,641 at my home and 98 on the extension which is put to use only when the phone is not covered at either of the other places.

The police cruiser covered a total of 40,273.8 miles, 10,000 of which was put on the Plymouth prior to acquiring the new cruiser in May. During the nightly tours of duty, doors of business establishments were found unlocked on 41 occasions, windows open or insecure 19 times and gasoline pumps were found turned on 6 times.

Forty-six automobile accidents were investigated during the year most of which were minor and none of which were fatal.

The Police Department responded to 25 fires during the year, and assisted on many of these. Also several fires were reported by the department.

The police cruiser made 11 emergency runs to the hospital, plus many other emergency trips.

This department assisted other law enforcement agencies on 26 occasions which included the locating of two stolen cars and the apprehension of those involved.

Other police work included:

SCHOOL WARRANT
The State of New Hampshire

To the Inhabitants of the School District in the Town of Gilford qualified to vote in district affairs:

You are hereby notified to meet at the Gilford Grade School in said district on the twenty-first day of March 1961, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the

salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business which may legally come before this meeting.

Given under our hands at said Gilford this second day of February, 1961.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board,
Parents and Voters:

1961-1962 Proposed Budget

The Gilford School proposed budget for 1961-1962 is almost the same amount as the present year. This unusual feature of other budgets over the country is caused by (a) the decrease in transportation anticipated from the Laconia Junior High operating a full day next year, (b) a reduction in repairs and replacements and (c) a reduction in new equipment.

The chief increase in the budget is in teacher salaries with a proposed \$6,672.00 increase. Teacher salaries have been increased annually in Gilford with the averages as follows:

Year	Average
1955-56	\$3,287.50
1956-57	3,461.00
1957-58	3,628.00
1958-59	3,837.50
1959-60	3,976.00
1960-61	4,285.00

Per-Pupil Costs

The State Education Department released official figures for the 1959-60 school year showing the per-pupil costs for the 217 school districts maintaining elementary schools. The Gilford cost was \$307.36 per pupil and was exceeded by 29 school districts. Fifteen of these 29 should probably not be compared since they are very small districts with a few pupils. Fourteen of these districts are large towns maintaining many special services in education and also maintaining the same high standards as Gilford.

Many cities and large communities have lower costs than Gilford, but it should be remembered that Gilford maintains very small grades with an enrollment of approximately twenty pupils per teacher. Many large schools maintain double the pupil enrollment per teacher. It might also be called to attention that the Gilford schools maintain an extensive lunch program, a kindergarten, art, music, a large auditorium, and books, supplies and workbooks probably exceeded by no school in the state.

Tuition Costs

The tuition total will increase about three thousand dollars next year. These rates will soar in the next few years. Concord recently announced a \$450 high school charge for 1961-1962. Increasing school costs and building programs have increased the budgets of many schools maintaining high schools.

State Average Costs

The state average cost to be used for the 1961-62 year as announced by the State Education Department shows the high school average to be \$436 and the elementary average to be \$265.

Statistics

You are urged to read the general information listed in the complete report.

Appreciation

May I express my sincere appreciation for the co-operation of your excellent School Board members, Jack C. Sawyer, Chairman; Mrs. Esther Peters, Secretary and James B. Stamps. They are to be congratulated for their devotion to the interests of continually improving the

education for Gilford pupils and also insisting that economies be made so that no tax dollar is wasted.

I also wish to thank the Principal and teachers of Gilford, who do an admirable teaching work every year as shown by the extremely high test results when Gilford pupils are compared with pupils over the country. The fact that Gilford has had a very small number of teachers leaving Gilford for other places shows the high morale that prevails in the Gilford schools.

May I thank the Cafeteria workers, the Custodians and the bus operators for their assistance and cooperation.

I wish to thank all local civic organizations and all individuals who have assisted the schools.

May I especially commend the people of Gilford, who have backed the schools financially and morally. In fact, the fine school at Gilford, the excellent program of education, and the whole atmosphere may be exemplified by a quotation from the recent White House Conference:

"We believe our schools are our one best hope for individual attainment and for national strength and welfare. Without appropriate education of children, youth, and adults, our values will be lost, our economy and productivity will be famished, our vision blurred, and the individual obscured."

Cordially yours,

GORDON L. FOX,
Superintendent of Schools
